## Interview with Grady

For the first issue of the roadrunner report we knew it had to be somebody special so the staff talked it over and talked some more and we all agreed our newest staff member would be the best interview. Now here is our interview with Grady.

Q: How old are you?

A: I am 4 years old.

Q: Do you like children?

A: I love children a lot.

Q: Do you like hearing kids read?

A: Yes.

Q: What's your favorite game?

A: Frisbee.

Q: Do you like visiting places?

A: Yes, I like to ride in the car and go to the beach. I love to play Frisbee in the water.

Q: What's your favorite food?

A: Kibble (Donuts, too! My master won't give them to me!)

Q: Do you like working with Mrs. Moore, the librarian?

A: Yes, I love to see all the kids and smell all the books.

Q: Is the librarian nice?

A: Yes, even if she won't give me donuts.

Q: What books do you like?

A: Clifford because he is a dog like me, only slightly larger and Harry Potter because, well, just because it's a GREAT book.

We're glad we chose Grady to interview. She was very interesting, although difficult to understand at times. Mrs. Moore translated for us. Grady gave us big kisses, even though we didn't bring her any donuts!

Try to guess who we will be interviewing in the next issue of the Voice of the Roadrunner...read the next issue to find out!

## Mrs. Morgan's Message

I am so happy to be Principal of Chaparral Elementary School. The students are

very pleasant to be around. They are very serious about learning and they are very kind to each other. If students need extra help to do better in the classroom, they come to tutoring both before and after school.

We had a wonderful medal ceremony on Friday, February 17th with over 200

medals awarded for academic progress, perfect attendance and outstanding citizenship. Chaparral is an excellent school with GREAT kids and I love serving as your principal!
